## National Voters' Day

National Voters' Day is celebrated in India on January 25th each year to mark the foundation day of the Election Commission of India, which was established on January 25, 1950. The aim of National Voters' Day is to encourage, facilitate, and maximize the enrollment, especially for the new and young voters who have attained the age of 18. It also aims to promote informed and ethical voting, emphasizing the significance of each vote in a democratic society.

The day serves as a reminder of the importance of the electoral process and the role of every citizen in shaping the nation's future. Various activities and programs are organized across the country to raise awareness about the importance of voting and to encourage eligible citizens to register themselves as voters. These activities include rallies, seminars, workshops, street plays, and campaigns focusing on voter education and awareness.

The Election Commission of India often launches special initiatives and campaigns on National Voters' Day to ensure maximum participation and engagement from the public. These initiatives may include online registration drives, voter registration camps in colleges and universities, and outreach programs in rural areas.

In the Occasion of National Voter's Day, Khatra Adibasi Mahavidyalaya organized voter pledge by Department of Political Science and NSS in college Campus on 25<sup>th</sup> January 2022.
