NAAC Accredited B+ (2nd Cycle)

Action Taken Report after Student Feedback Analysis

- Due to COVID-19 pandemic ICT enabled classes could not be taken in offline mode. Teachers took classes in online mode by using Power Point Presentation via google meet screen share through college ERP.
- All necessary study materials were uploaded by the teachers in college ERP so that they can access them whenever required.
- Soft copies of text books and reference books were shared by the teachers with the students through college ERP as they could not access library during lockdown. Since N-LIST facilities are available in our college, students could access relevant journals from home.
- Sports and other cultural events could not be organized in the college campus during pandemic. Many such events such as Rabindra Jayanti, National Sports Day, Teacher's Day, International Yoga Day were organized in virtual mode during the session 2020-2021.
