NAAC Accredited B+ (2nd Cycle)

Action Taken Report after Student Feedback Analysis (2021-22)

- Due to COVID-19 pandemic ICT enabled classes could not be taken in offline mode for the major part of the session 2021-2022. Teachers took classes in online mode by using Power Point Presentation via google meet screen share through college ERP during the lockdown period.
- All necessary study materials were uploaded by the teachers in college ERP so that they can access them whenever required.
- Soft copies of study materials were shared by the teachers with the students through college ERP as they could not access library during lockdown. Since N-LIST facilities are available in our college, students could access relevant journals from home.
- Sports and other cultural events could not be organized in the college campus during pandemic. However, when offline classes started in the college post lockdown all cultural and sports events were celebrated in the college with great enthusiasm. Some of these events included Basanta Utsav, Annual Cultural Programme, Annual Sports, Rabindra Nazrul Jayanti etc.
