Title: Report on Awareness Programme on Value Education at Supur High School

Date: 11/09/2019

Organizer: Department of Sanskrit

Introduction:

On the 3rd of September 2019, the Department of Sanskrit organized an Awareness Programme on Value Education at Supur High School. The objective of the programme was to instill values such as integrity, empathy, and respect among students and to emphasize the role of Sanskrit in promoting moral and ethical principles.

Objectives:

- To raise awareness among students about the importance of value education.
- To foster a deeper understanding of moral and ethical values through interactive sessions.
- To highlight the relevance of Sanskrit literature in promoting values and ethics.

Activities:

Inaugural Address:

The programme commenced with an inaugural address by the head of the Department of Sanskrit, who emphasized the significance of values in shaping individuals and society. Students were encouraged to actively participate in the sessions and apply the learnings in their daily lives.

Interactive Sessions:

Various interactive sessions were conducted to engage students in discussions on topics such as honesty, compassion, and responsibility. Case studies and role-playing activities were utilized to illustrate real-life situations where ethical decision-making is essential.

Sanskrit Heritage Presentation:

A presentation on the rich heritage of Sanskrit literature was delivered to showcase the moral and ethical values embedded in ancient texts such as the Bhagavad Gita and the Ramayana.

Students were introduced to the timeless wisdom present in Sanskrit scriptures and its relevance in contemporary times.

Outcomes:

Enhanced Awareness: Students developed a heightened awareness of the importance of values such as honesty, integrity, and empathy in their lives.

Increased Engagement: Interactive sessions facilitated active participation and encouraged students to reflect on their own values and beliefs.

Appreciation for Sanskrit: Students gained a greater appreciation for Sanskrit as a language that encapsulates profound wisdom and ethical teachings.

Positive Impact: The programme had a positive impact on students' attitudes and behaviors, fostering a culture of respect, empathy, and responsibility within the school community.

Conclusion:

The Awareness Programme on Value Education organized by the Department of Sanskrit at Supur High School was successful in imparting valuable insights into the importance of values in education. By emphasizing the role of Sanskrit in promoting moral and ethical principles, the programme contributed to the holistic development of students and reinforced the importance of character education in shaping responsible citizens.
