OBC-B Cell

Session – 2022-2023

Future Planning:

The OBC Cell at Khatra Adibasi Mahavidyalaya is planning to help students who often feel left out. They want to offer extra help with studies, counselling, and advice to make sure everyone feels supported. They will also run programmes to teach everyone to be more understanding and inclusive. They aim to give information of various scholarships for financial assistance, make friends with other groups to help each other, and give students chances to learn new skills and become self-reliant. They will keep an eye on how things are going, push for fair rules, and keep track of what works well. They will also organize events to celebrate different cultures and make sure their plans can keep going strong in the future. Their goal is to make sure every student has the same chances to do well and to prosper.

Future Planning:

The future planning of the OBC Cell in Khatra Adibasi Mahavidyalaya entails a comprehensive strategy focused on recognizing the needs of marginalized students. This involves reinforcing support system through academic tutoring, counselling, and mentorship, alongside awareness programs to foster inclusivity and sensitivity within the college community. Expanding scholarship and financial assistance programs, forging partnerships for networking and collaboration, and empowering students through leadership development and skill-building initiatives are crucial. Implementing monitoring mechanisms, advocating for institutional policies promoting diversity and inclusion, and documenting experiences to ensure sustained progress. Organizing cultural events to celebrate diversity and planning for long-term sustainability round off the strategy, aiming to create an environment where all students have equal opportunities for success and growth.
